Lakeland REALTORS® Participate in Paint Your Heart Out Lakeland

Over two weekends in March, approximately 30 members of the Lakeland Association of REALTORS® participated again in this year's "Paint Your Heart Out Lakeland" project. Members prepped, pressure washed, peeled and painted a single family home in Lakeland with a nice new coat of paint and a little elbow grease.

PYHO Lakeland seeks to help our fellow community members by restoring some of that weathered pride of ownership. They offer members of the community, who meet the income requirements and must own and live in their homes, the opportunity to have the exterior of their homes repainted by teams of volunteers. Providing this neighborly service not only helps these homeowners recover their personal pride and dignity, but also brightens up the neighborhood and community as a whole. "Painting a home is a lot of hard work, and requires a team effort. We are always happy to serve our community and we have a great time doing it, it's really a family affair". –says Barbara Barnes, the Executive Vice President. For more information and to get involved please visit: <http://paintyourheartoutlakeland.org/>
