“Baskets” Benefiting Paint Your Heart Out Lakeland

The Lakeland Association of REALTORS® Affiliate Committee joined forces and together, came up with the “Autumn Basket Extravaganza Event” held on August 13th 2009 at The Club at Eaglebrooke. Affiliate members were there showcasing their business as well as providing the REALTOR® members with a pertinent fact about their industry. And let’s not forget, a chance to win some great prizes!

Member, Donna Dickerson with American Home Shield (BELOW) was present representing home warranty protection. “Home warranties can save you thousands of dollars on unexpected home repairs” she says. Other members’ topics included: loss mitigation, fraud protection, education, mobile home and sign regulations.

Proceeds from raffle ticket sales totaling \$256.00 went to Paint Your Heart Out. PYHO Lakeland seeks to help our fellow community members by restoring some of that weathered pride of ownership. They offer members of the community, who meet the income requirements and must own and live in their homes, the opportunity to have the exterior of their homes repainted by teams of volunteers. Providing this neighborly service not only helps these homeowners recover their personal pride and dignity, but also brightens up the neighborhood and community as a whole.
