ROOM MAKEOVER PROJECT

For Children in Need

Our Mission with the annual Room Makeover Project is to provide children whose parents or guardians do not have the means to provide for them, a room they can enjoy. A room that fits their personality and gives them a safe and comfortable space.

For the 11th year "Rooms to Go" has graciously agreed to continue to partner with us in our Room Makeover Project. We are looking for additional sponsors to help additional items such as windows treatments, flooring, ceiling fans, paint, décor, bedding, books, toys, pillows, pictures and etc.
